If farmers could buy city street car hogs at their real value and sell them for what they think they are worth, farm automobiles would multiply more ranidly the rubbish.

SPLIT OVER ELECTRIC CONTRACT

Proposition to Commit City to 20 Year Contract With Uncas Power Company Started the Trouble-President Denohue, Secretary Spalding and D. S. Gilmour Signed Contract-D. T. Shea and C. E. Whitaker Declined-Spalding and Gilmour Names Subsequently Punched Out-Mayor Murphy Opposed to Long Term Contract—Other Companies Have Propositions.

Since the first of January, when the commission, who up to then board of gas and electrical commissioners held a meeting at which a new company as being in the field. ontract for electrical power to be

furnished the city for 20 years by the Uncas Power company was brought before the board there has been a split in the five members of the board of commissioners, 3 to 2.

Opposing the signing of such a contract have been D. T. Shea and Vice President Charles E. Whitaker, while on the other side were President James J. Donohue, Secretary A. S. Spalding and David S. Gilmour. The new contract proposed was to be at the rate of 1.1 cent per kilowatt where the old contract had been at 1 cent.

cent. Since then a contract for the short-er term of 8 years has been a develop-ment of the situation and it was the expectation on Friday that this con-tract would be under consideration at a meeting of the board to be held tonight (Saturday), though President Donohue stated on Friday evening that there was no certainty that such a meeting would be held, for they want-ed everyone present at the meeting and there was one member of the board who was out of town and might If there were such a meeting, the president of the board stated, he presumed the eight year contract would

be discussed. Three Names Would Make Binding. President Donohue said he considered that if three names were signed to the contract it would be a binding one on the city though he said there was no new contract in force now. He denied that there had been any threat from the Uncas Power company of a possible suit against the city for breach of contract on account of the contract which was once signed by a majority of the board but from which the names of Mr. Spalding and Mr. Gilmour were subsequently punched out following a vote directing this which was taken at a meeting of the

board. Where the Split Started. The proposition for a new contract was first tendered, it was stated on Friday on reliable authority, at the meeting of the board which was held on Saturday evening, January 1, at which Attorney C. W. Comstock representing the Uncas Power company tendered the new contract.

The price named in it was 1.1 cents per kilowatt and the term for twen-ty years. When it came to be pre-sented to Mr. Shea he discovered the 20 year term and at once declared that he would not agree to a contract for such a long term. When he was such a long term. When he was given to understand that a majority given to understand that a majority
of the board was going to vote for the
contract, he took up his hat and coat
and told them that if they did so it
would be in his absence for he would
never be a party to such a contract.
At that he was given opportunity to
state his reasons which he did by say-

ing that it was not so much the price that he objected to as to the 20 year clause as he considered that this was an age of development of the electric-al business and no one could tell what would be the source of electric power twenty years from now and he did not consider the commission would be doing right by the city to tie it up for so long a period as was in this con-Mr. Shea claimed that as a public

servant having regard for the best in-terests of the city, he could never face the storm of investigation that he felt sure would be aroused when the news of the 20 year contract at an advanced This was met by the statement on the part of one member of the majority that when the contract was signed it would go into the safe and no one

would ever know about it. Disclosed Another Bidder. It also developed that the Shore Line Electric Rallway company had aproached President Donohue and Su-perintendent S. J. Kehoe with some

WOMEN ORGANIZE TO DIAMOND RING GIVEN TO DR. POLLOCK From Riverview Club at Farewell Re ception at State Hospital.

On Friday evening the Riverview club tendered Dr. and Mrs. Henry M. Pollock a farewell reception and so- the auspices of the Norwich Equal cial at the new amusement hall at the State Hospital.

During the early evening there was an entertainment programme in the Connecticut branch of the Congression theater and the numbers included al Union for Woman Suffrage, and of-Herbert Clarke, comedian and impersonator, of Boston and Cra Adams, violinist, also of Boston. Dancing followed in the large hall, Draw's orchestra providing the music.
At the close of the entertainment programme in the theater, John Daggert, in behalf of the employes at the hospital, presented Dr. Pollock a handsome diamond ring, and Dr. Pollock feelingty, acknowledged, the rifflock feelingly acknowledged the gift. Refreshments were served during the

The committee in charge of the delightful affair comprised Harry Kro-mer, Raymond Moore, William H. Dennison, Moses Dupuis, John Bren-nan, Samuel Evans and John McGraw. The ushers were Miss Agnes Wil-son, Miss Albina Deja, Miss Dorothy Leete, Miss Anna LeBlanc, Miss Mary LeBlanc and Mrs. Elizabeth Chase. Among the guests were several of

Among the guests were several of he hospital trustees. Trinity Church Sale.

On Friday the Woman's auxiliary of Trinity Episcopal church held a successful food sale in one of the Thayer building stores. The sale besan at 10 o'clock in the morning and continued until 3 o'clock in the afternoon. The proceeds are to be used for the poor and needy of the parish. The sale was in charge of Mrs. F. Leon Hutchins, who was assisted by Miss Alice L. Bennett, Mrs. Mary C. Daniels, Mrs. Whilam H. Fitch, Miss Lucy Geer, Mrs. J. Eldred Brown and Mrs. Henry L. Bennett.

Confines Himself to Adviso. You may have observed that the average man seldom does the things he is constantly telling others they should do.

Mayor Active Against It. Mayor Active Against It.

The outcome of the meeting was an adjournment to the next afternoon, Sundey. Meanwhile Mr. Shea argued with Mr. Spalding and Mr. Gilmour and also let Mayor T. C. Murphy know what the conditions were. He found in the mayor an active supporter and on that Sunday morning before the meeting Mayor Murphy was in communication with every member of the commission, telling them that they could count upon him to fight to the last ditch against the eigning of the 20 year contract.

20 year contract. Term Is Cut Down.

The outcome of the Sunday meet-ing was a contract at the price of 1.1 cents but for eight years with priv-ileges of three five-year renewals. lieges of three five-year renewals.

On Monday, the next day, the contract was sent around for signatures and the names of President Donohue, Mr. Gilmour and Mr. Spalding were affixed. When the messenger from Attorney Comstock's office reached Mr. Shea's store, Mr. Shea was not in. The contract was left on his desk for him to sign, but when he came in he found that it was not already signed by the Uncas Power company and that the typewriter had been used to make the change from twenty to eight years. He didn't like the looks of it that way and took it to Corporation Counway and took it to Corporation Counsel Joseph T. Fanning, upon whose advice he did not sign, but held it up. He alno got Mr. Spalding and Mr. Gilmour to agree to withdraw their signatures, giving as their reasons that they had signed the contract without reading it and under false pretenses.

Called Another Meeting. The next move was another meeting called by these three members of the board for the next Wednesday evening, wheih was January 5th. At the meeting Attorney Comstock was on hand but when Mr. Shea inquired of the chairman if this was a

ublic meeting or a meeting of the oard the attorney withdrew. Mr. Shea made a motion to reconsider the action of the previous meet-ing. President Donohue declined to entertain it, neither would Vice President Whitaker put the motion Motion to Erase Names. A motion by Mr. Shea to operate without a contract and giving the right to erase the names of Mr. Spald-

ing and Mr. Gilmour was passed and Corporation Counsel Fanning was designated as the one legally to punch out the names. This has since been It was the understanding on Friday that at the meeting tonight a contract was to be voted upon for an eight year term with three renewal terms of five years each. It was understood that the names that would be affixed to it would be President Donohue's, Mr. Spalding's and Mr. Gilmour's, to which

they had already agreed through rep-resentations that the city stood the risk of a suit if the contract were not Mr. Gilmour said Friday evening that he had received no notice of the Satur-day meeting and he didn't wish to ex-press any opinion on the situation until

he gave it at a meeting.

Mr. Shea said that his attitude was
of opposition to immediate action on the grounds that we ought to see what others than the Uncas Power company have to offer. Secretary Spaiding was out of town

and could not be reached.

Mayor Murphy thought also that
there was plenty of time and the board

ught to hear from others.

Mr. Whitaker said that he felt it was not good judgment to take action with-out looking over the field if the Shore Line Electric Railway company and the Connecticut Power company of New London was prepared to submit

Line Electric Rallway company had aproached President Donohue and Superintendent S. J. Kehoe with some sort of tentative proposition to furnish the city with electric power. This was news to other members of the from New London to Norwich.

bids.

General Manager V. E. Bird of the Connecticut Power company said the company was preparing a proposition. If they got the contract they would have to build a new high power line from New London to Norwich.

Mrs. Frederick L. Sykes Made Presi-

WORK FOR SUFFRAGE

dent of Congressional District Union. At a meeting in Buckingham Memo rial on Friday afternoon, held under Franchise league, an organization for this, the Second congressional district, was formed to aid in the work of the ficers for the newly organized body

were chosen, Mrs. Frederic L. Sykes of New London being elected chairman. Miss Porritt Talks About Politics. The meeting was called to order shortly after 2 o'clock by the state chairman, Mrs. W. D. Ascough, of Hartford, who introduced as the first speaker Miss Annie G. Porritt of Hart-ford.

The thing we want to talk to you about is very distinctly politics, said Miss Porrett. The first thing I want to impress upon you is the immediate nearness of the vote. We have but four months to work, and we urge the greatest amount of practical work concentrated in those four months.

We hope to get woman suffrage through the Susan B. Anthony amendment. The voting women of the west

through the Susan B. Anthony amendment. The voting women of the west have taken up the amendment and all that is asked is help of the eastern states to get it passed. The western women are getting their forces together and are making congress feel that they are united in this movement. We ask you to work strenuously for the next four months in the effort to get the amendment passed, said Miss Porritt in closing.

Miss Dor's Stevens.

Miss Dorls Stevens.

Miss Dorls Stevens.

As the second speaker, Miss Ascough introduced Miss Dorls Stevens of New York. We welcome most heartily the fact that we can unify the women in one final effort, said Miss Stevens in her opening words. When you join the Congressional Union, said Miss Stevens, you join an organization that knows it can get the federal amendment passed. It is up to the women from now on until June to get action from congress and to get action from the national political parties in political assembly. What we want you to do most is to help the organization that is made up of all the elements of the suffrage question.

After the close of her address Miss Stevens invited questions from the audience. Several were asked and satisfactorily answered.

A resolution was drawn up and pass.

ment.

Local Organization.

It was moved and carried that an organization be formed in this congressional district, which is the Second, to aid in the work of the Connecticut branch of the Congressional Union for Woman Suffrage. Woman Suffrage.

Mrs. William A. Norton and Miss Carroll were appointed a nominating committee and after retiring they reported the following names for officers: Chairman, Mrs. Frederic L. Sykes of New London; vice chairmen, Mrs. Grosvenor Ely, Mrs. Lucius Briggs; secretary, Mrs. Edward J. Graham; reasurer, Mrs. Bertram Fisk ,all of this city.

ed urging congress to pass the amend-

this city.

Their report was favorably acted upon and the officers were declared elected.

Miss Carroll was chosen chairman of the membership committee, and Mrs. Willia Austin chairman of the committee in charge of the subscriptions to The Suffragist.

\$40 Pledged.

The sum of \$40 was pledged for the support of the work and in addition a loose collection was taken up which amounted to \$3.74. This sum was later increased to \$4.50.

The several state officers who were present included the state chairman, Miss W. D. Ascough; state secretary, Mrs. P. M. Leakin; the state treasurer, Mrs. C. M. Gallup, and Miss Annie G. Porritt and Mrs. George H. Day, members of the state advisory council.

The meeting adjourned about 4.30 o'clock.

CHAMBER OF COMMERCE

BUILDING IS CHOSEN. For New Quarters For Norwick Chamber-To Be Erected on Main Street By Hagberg and Sullivan.

One of the important business mat-ters disposed of at the meeting of the directors of the Norwich Chamber of Commerce on Friday evening at the rooms in the Transportation building was the approval of the report of com-mittee on new quarters which recommittee on new quarters which recom-mended that rooms be taken in the new building to be erected on Main street next to the Marion building by C. A. Hagberg and Ambrose Sulli-

building, it was shown, is to be named the Chamber of Commerce building by the owners and the committee reported unanimously in favor of rooms which will be on the floor of rooms which will be on the floor above the stores. There will be three rooms, one of smaller sixe and two of considerably larger size, which will be so arranged that they can be thrown together to provide room enough for meetings of the Chamber when there will be a large attendance. This will will be a large attendance. This will also be the headquarters of the New London County Improvement league, which now uses the rooms Transportation building.

It is hoped that the rooms will be ready by early spring and the same committee of which William H, Gruickshank is chairman, was continued to complete the arrangements about leasing and fitting up the rooms.

President William A. Somers presided at the meeting which had an attendance of 11 out of 17 directors.

SERV-US MINCE MEAT

Package condensed mince meat is made up today of the best quality of dried fruit and other items which can dried fruit and other items which can be found, all of which are found in the United States with the exception of spices and currants. The study of packing condensed mince meat has ex-tended over a period of 100 years and today is as near its perfection as we can possibly conceive. The sanitation in the factories in which it is packed is beyond reproach as the competition today in these lines necessitates the Gur line contains a number of Handsome Fur Coats in French Seal, Hudson Seal, Marmot, and one Persian Lamb, that are being quoted at remarkably low prices for really good garments.

Then we are showing High Grade Sets of Black Fox, quired for different purposes. Every particle of fruit or any other article used in the manufacture of mince meat is thoroughly cleaned and hand-picked by people trained to know what should and should not be used and in this manner the article comes to the house-wife cleaner by far than she could possibly take the same articles in her own kitchen, regardless of how clean it may be, and make up the filler for her mince ple. The old idea of dirt being prevalent in quantity is today disputed by the greatest authorities on food products. The meat used in mince meat is of the choicest and today the same corn-beef which you and I would use on our table is what is being used in Serv-us Mince Meat. There are very few ples made which can be used as handily by the house-wife as mince meat for all it requires is a little water and being heated for ten minutes and it is ready for the crust and then the table and she may without fear of loss carry three or four packages of mince meat in her pantry, having it ready at any time for the chance occurrence of unexpected company and it will be a good dessert free from dirt. It is our thorough belief that a mince meat pie made from condensed mince meat is about as cheap a dessert as can be prepared and yet as good.

For many years mince meat was considered a winter dish. Each year for the last ten our factory has had to increase ifs capacity during the summer months until today it runs every day of the year with a regular force of helpers. We ship goods to every part of the country the entire year. This of course means a great increase in the use of these goods over when mince meat was eaten only in the winter months which means an increase sale over the former winter consumption.
